OTHER INSPEC SERVICES

SDI

(Selective Dissemination of Information.)
This is a service individually tailored to the requirements and interests of the engineer or research worker. Every two weeks details of information relevant to the interest profile of the individual subscriber are selected from the data being processed for the INSPEC Database.

TOPICS

This is an SDI service based on standard profiles. There are over 80 subjects covering high-activity areas of research and development. This is an inexpensive service designed to alert engineers and researchers to the availability of literature within their subject area.

TAPES

The INSPEC Tape Services contain all the information included in the INSPEC publications. They are updated 50 times per year. They enable the larger research and development organisations to produce their own internal information and current-awareness services.

Do you wish to obtain original articles speedily, efficiently?

Ask*IEEE is the service for you.

Second to none in the Document Delivery business, Ask*IEEE will satisfy your requirements with the minimum of difficulty and the maximum of simplicity. Ask*IEEE can get you virtually any document in the public domain quickly and inexpensively.

Publications covered by INSPEC are available from Ask*IEEE Document Delivery Service, run by Dynamic Information Corp., a pioneer in the document delivery business.

Fast, comprehensive service

Many articles are housed at Ask*IEEE, ready to be delivered speedily to you by your chosen method: fax, e-mail via Ariel fax, courier service or mail. Orders received before noon Pacific time are shipped the same day. A **rush** service is also available.

Ask*IEEE houses recent items indexed by the INSPEC database and all IEE and IEEE publications, including copies of out-of-print IEE/IEEE publications.

Simple ordering and pricing structures

Just like all other aspects of Ask*IEEE, ordering and pricing have been designed for simplicity and efficiency. Rates for articles which you choose from the INSPEC Collection are $12 + copyright fee ($10 + copyright fee for IEE and IEEE members). IEEE and IEE articles are priced at $12 ($10 for IEE and IEEE members).
